EXPERIENCE

FREELANCE, MOTION & GRAPHIC DESIGN

Self 2019 – Present

- Designed motion graphics, branding, logos, posters, invitations, and mascot illustrations for a range of freelance clients.
- Collaborated directly with clients from concept development through to final delivery, tailoring designs to their needs and brand identity.

MOTION DESIGN INTERN

RUN JUMP FLY June 2023

- Assisted with studio design projects. Created concept artwork and background designs to support 2D animation production.
- Prepared and textured character assets for animation, including layer organisation, rig preparation, and pivot point setup.
- Including the creation of a company logo, while collaborating with the motion team.
